Subject: Tinbergen Institute Lectures 2017

Dear Colleague,

From 31 May - 2 June, 2017, **James A. Robinson** (Chicago University Harris School of Public Policy) will give the Tinbergen Institute Economics Lectures, on **State, Society and Development** at Tinbergen Institute Amsterdam.

And from 10-12 May 2017, **Trevor Hastie** (Stanford University) will give the Tinbergen and Econometric Institute Lectures, on **Statistical Learning and Data Science** at Tinbergen Institute Rotterdam.

We would appreciate it if you could advertise these events. The participation fee and registration deadline is listed at the website. Early registration is encouraged due to limited capacity.

For more information, please see the enclosed poster and www.tinbergen.nl > Events > TI Lectures
Both events welcome external participants.

Many thanks,

Eric Bartelsman
Director Tinbergen Institute
