

AT THE LIBRA GROUP, WE VALUE OPPORTUNITY SEIZING IT. CREATING IT. AND GIVING IT.

The Libra Internship Program is a unique opportunity for talented young people to experience the world through an international business group.

Operating 30 subsidiaries across five continents, the Libra Group is primarily focused on shipping, aviation, hospitality, real estate, renewable energy, and selected diversified investments. Interns could be placed in key Libra international locations including New York, Miami, London, Athens, Beijing, and Buenos Aires. Assistance with travel and living expenses is offered to everyone accepted into the program.

Emphasizing employability and career development, the program offers ongoing group and one-on-one training through workshops, coaching, and mentorship to:

- Broaden and explore employment prospects
- Gain practical workplace experience and life skills, leading to better employment prospects
- Create an international network of professional contacts
- Grow in confidence and ability
